FOR IMMEDIATE RELEASE

Lane, Ramp Closures for Bridge Deck Repair on I-880

OAKLAND— Bridge deck repair is scheduled for various locations in Oakland along the I-880 corridor. Lane and ramp closures are necessary to remove and repair unsound concrete and to protect and extend the service life of bridge decks. This could be a noisy activity.

Work is expected to begin this week at the following locations:

Hegenberger Road

Caltrans will be working on various lanes at the Hegenberger Road Overcrossing, week nights from 11 p.m. to 6 a.m., and Friday night from 11 p.m. to 8 a.m. The northbound I-880 on-ramp from eastbound Hegenberger Road will be temporarily closed. Traffic will be detoured by turning right on S. Coliseum Way, to Edes Avenue and enter the freeway at the northbound I-880 on-ramp.

Northbound 880 to Eastbound 980 Connector

Various lanes will be closed week nights from 9 p.m. to 6 a.m. and Friday night from 9 p.m. to 8 a.m. The northbound I-980 Castro Street/11th Street off-ramp will also be closed.

Motorists are asked to please be alert and to slow for the cone zone.
